ABOUT US

EMPS is a leading Contracting and Maintenance Company specialized in electro-mechanical works.

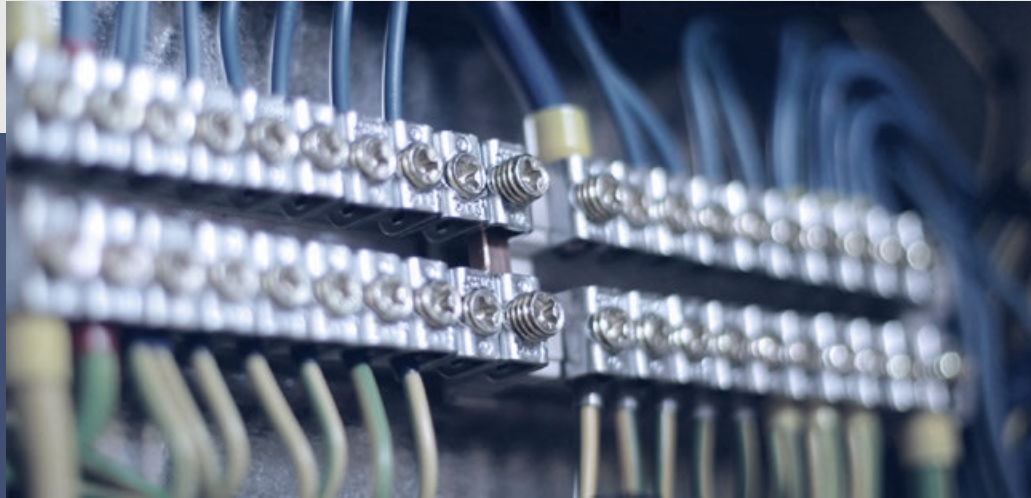

We operate in Lebanon's construction engineering business and cover services and solutions in various fields, and for different type of building (residential, commercial, industrial ...).

EMPS aims to undertake any challenging job related to electro-mechanical work execution and/or servicing that requires high qualifications, quality, precision and control. We also aim to deliver the best services to exceed customer expectations since customer satisfaction is one of our main concern.

With our commitment to quality and values, we will achieve a steady growth that brought us to be one of the major players among the medium sized MEP contractors.

History

In 2018 ,two engineers 'Ahmad Dhaybi' and 'Rabih Rabah', both, with a degree and background in Electro-Mechanical Engineering started EMPS in Tripoli to capitalize on their previous experience gained in Lebanon and abroad in order to meet local market demands.

The constant pillar of success has been Mr. Ahmad Dhaybi, the current General Manager who is known for his meticulous attention to detail and never-compromising attitude on quality.

Mission

We are driven by dedication to deliver exceptional engineering services to our clients while achieving operational excellence throughout the project lifecycle.

We build our partnerships with commitment to quality results in a safe, sustainable, and cost-efficient manner.

In our pledge to meet the changing needs and challenges of our clients, we continuously develop our team's skills and expertise, while adopting the latest and best practices & innovations in the electro-mechanical fields.

Vision

Our vision is to position ourselves among the top leaders in the Electro-Mechanical Contracting fields in Lebanon and the Middle East region by exceeding our clients' expectations and constantly achieving customer satisfaction

Values

Our core values guide how we operate internally and with our partners & communities.

- + We are Committed to serving our Customer.
- + We act with honesty, integrity and a sense of urgency.
- + We deliver Excellence in all we do.
- + We encourage entrepreneurialism.

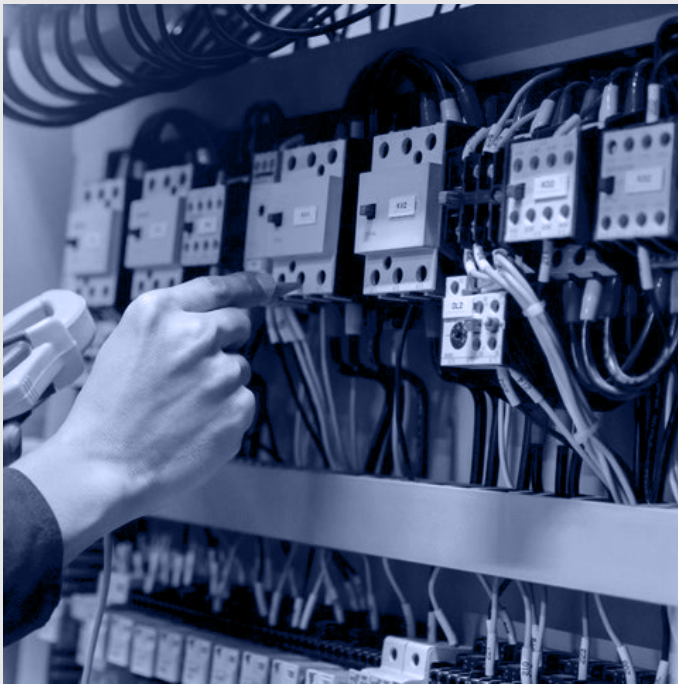

Services

Mep Sub Contracting
